

Prize Choice offers dog owners the choice to use a real meat product to prepare home made foods with the knowledge that the ingredients are free from chemicals, additives, preservatives and colourings.

The Prize choice range of minced meats, loose free flow minced meats and whole meaty chunks are an ideal alternative to prepared pet foods.

Frozen Minced Meats

Our packs of minced meats are pre minced to 5mm and packed into a convenient 400gm formed square for ease of storage.

Once defrosted the soft mince easily coats and covers all mixer or complete biscuit products with a lovely juicy fresh minced meat coating.

2kg Freshly Frozen Freeflow Minces

Freeflow Minced Meats

Our packs of free flow minced meats are pre minced to 5mm and packed in individual 2kg bags and are ideal for medium to large size dogs where you may need to measure the feeding quantities used each day. Simply pour out the required amount and defrost a lovely loose mince that defrosts like your butchers best minced meats.

Fantastic beef, chicken, lamb and the ever popular beef tripe are a real must for dog owners who like to see the quality of the food they feed

2kg Freshly Frozen Wholemeat Chunks

Frozen Whole Meat Chunks

Our whole meaty chunks are exactly what they say and are ideal for all of those big mouths looking for chunks to chew on.

Roughly chopped whole meaty pieces presented loose in 2kg bags are ideal and enable you to take out individual pieces or pour out exactly what you need to use.

BARF enthusiasts rave about chicken wings and whole chunks as they really get the mouth of the dogs working and strengthen the teeth and gums.
